

What is a School-Parent-Teacher Compact?

A School-Parent-Teacher Compact is a written agreement between the teachers, students and parents. It outlines the activities for shared responsibility. The compact outlines the activities, parents and Cleckler-Heald Elementary will undertake to maintain two-way communications and work as partners for improved academic achievement.

Let's Synergize!

A Compact Committee is in place and will revise the compact every year as needed. The Compact Committee consists of school teachers, parents, administration and the parent specialist.

The Compact Committee welcomes any feedback and/or suggestions from parents any time. The collected feedback will then be reviewed at the following annual committee meeting.
